A BED FOR EVERYONE

Experience next-level comfort with the Mars 15X Twin Bed hybrid caravan. Designed for versatility and style, it features king twin beds with innerspring and memory foam, a smart roof opening cable system with latches, and ample storage for your essentials. All the luxury features you need come standard, along with the Renogy Battery Management System for sophisticated off-grid control. The 15X Twin Bed is where elegance meets adventure.

"Highly recommend Mars caravans! The quality, service, and attention to detail are outstanding. From start to finish, the whole experience was smooth and professional. If you're looking for a reliable caravan and a great team to back it up, Mars is the way to go!"

Michael Roberts - Google Review Customer

MAKE IT YOURS AT NO EXTRA COST

Your journey is unique — and your camper should be too. The Mars 15X Twin Bed is fully customisable and our designs are adaptable to your camping needs. From layout tweaks to personalised touches, we give you the freedom to design a van that feels truly yours.
